1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

Customer of Duke Power for over 43 years.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

With our current economy, adding an increase to our power bill would only increase the burden of each household in South Carolina.

I lost my job over two years ago and have not been able to find work. Therefore, we are currently a "single income" household and it is all we can do to pay our current bills. Also, this would be a burden on our senior citizens that struggle everyday to make ends meet on a fixed income.

This increase for Duke Power should be delayed until our economy begins to turn around.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *
(This section should be completed.)

No, thank you.
